

Associate Membership Programme

Associate with the best...

IEIA is the premier body representing the Indian exhibition industry. It has over 30 ordinary members that include country's leading exhibition organisers, venue owners and logistic & stall fitting companies.

In a bid to make a broad based platform that serves all its stake holders, the association now invites all service providers that contribute to the making of a successful exhibition to come on board as associate members.

Together lets help each other to achieve our true potential...

Why Join?

Besides joining the industry drivers in the quest for the rightful place for trade shows in the mindscape of those who allocate marketing budgets in the corporates as well as the policy makers in the Government, the Associate Members will also be entitled to:

- IEIA directory listing of all registered Associate Members online and in paperback
- Discounted advertising on the website
- Invitation to all General Meetings of the association
- Access to newsletters/industry updates
- Use of logo on their stationery
- Recommendation of IEIA to its members to prefer Associate Members and include their names in the event manuals wherever relevant

Eligibility Criteria

Associate Membership shall be open to all firms, companies, associations and other bodies involved in the industry who do not qualify for ordinary membership, provided they meet the following requirements:

- Must be a firm, company, association or any other body registered under Indian laws
- Must have been in or associated with the industry continuously for three years or at least have a proprietor who has worked continuously in the industry for three years
